⁽¹⁾ Includes U.S. citizens and permanent residents.
⁽²⁾ The College of Engineering does not record specific racial/ethnic data for most of the undergraduate applicants processed by their Office of Admissions. Estimations were made of the race of these students based on the race of students accepted for admission in the program.
⁽³⁾ Applications and admissions offers for Graduate/Professional students in 1978 include estimated figures for the Law School for Blacks, American Indians, and Hispanics.

⁽⁴⁾ Asians are included with Whites in the application and admissions data from the Law School.
 Note: Some adjustments have been made in applications and admissions data to account for inconsistencies between the several data bases as well as the other source documents used to provide this table.
